## Colour Choice

As well as offering the standard UPVC colours (white, light oak, mahogany and rosewood) Marches also offer five other woodgrain colours (cream, natural, walnut, charcoal grey and black).

These other colours offer an alternative choice to timber and aluminium with a lower cost and greater lifespan.

We are the only company offering cream external Georgian bar, giving a traditional wooden or a contemporary look.

All our windows come with a full 10 year guarantee.

## Doors

As with the Marches Windows range the door profile is Rehau and comes in ten colours. Like the windows, Marches doors are made to measure, so any style can be achieved.

From the simplest full glazed door, to a composite door with sidelights and custom made glass. At Marches all you have to do is choose your preferred style, colour and glass then sit back and relax knowing you will have one of the best quality and most stylish doors available.

The doors are available with a choice of gold, silver, white or black handles and hinges.

Wheelchair access and low thresholds are also available.

## French Doors

Brighten up your home, improve your view and make a garden a natural extension to your living area with a Marches French Door.

The opening allows unrestricted access and maximum ventilation and offers the choice of opening inwards or outwards, restrictors are fitted as standard to all opening out doors.

Patio sliding doors and stable effect doors are also available on request.

## Casement Windows

Casement window frames are the most popular style of windows due to their versatility and are ideal for any direct window replacements.

The 70mm UPVC Rehau profile used in our windows is of the highest quality.

All windows are glazed with 28mm double glazed units making them more than qualified for all building regulations.

The windows are internally glazed for extra security.

If required we can offer Rate A energy rated windows.

All windows are made to measure so within reason any style can be achieved to suit the required taste.

## UPVC Vertical Sliding Windows

The Marches vertical sliding sash window range combines the elegance of traditional sash windows with the benefits of modern materials.

Manufactured from PVCu they are strong, will not rot, warp or require repainting; ensuring that they retain their colour and shape throughout the years with the minimum of maintenance.

Suitable for both replacing existing timber sliders in period buildings,

whilst still appealing to new builds seeking to capture a traditional feel.

Available colours are cream, white oak and black.

## Glass, Glazing & Mirrors

With over two hundred double glazed units being supplied a week to the public and trade, Marches is one of the biggest glass suppliers in the area.

All of our glass units are Pilkington K or Planitherm. The glass units are from 14mm to 28mm thick.

Other glass options are available including Pilkington (Active Blue) self cleaning, argon filled, anti-sun, georgian bar, square lead and diamond lead. 4mm, 6mm float glass and mirror are also available.

We are also suppliers of made to order mirrors and can provide you with any custom sizes with holes pre-drilled for you, bevelled edges and even made from safety glass.

## Conservatories

Marches supply all types of conservatories including edwardian, georgian, gable, lean-to, P Shape and T shape.

Like the windows and doors, conservatories are made to measure so within reason any style can be achieved.

Marches has a roofing system solution to suit every home and every budget, with a choice of traditional or contemporary looks.

With the use of specialized software your conservatory can be designed by Marches exactly how you want it. It is very important to choose the right material in the roof of your conservatory.

We have found that Pilkington K Blue Activ self cleaning glass has proven very effective and a popular choice.

Other options include polycarbonate, clear tough glass, anti – sun glass or a solid slate roof.

## UPVC Roofline

We stock a large range of UPVC roofline products and accessories, including fascia cover board, replacement fascia, flat soffit board, hollow soffit board, shiplap cladding and trims etc. The available colours are white, light oak, rosewood, mahogany, black and cream.

## UPVC Guttering

Marches stock four styles of UPVC guttering and accessories, half round, squareline, cast iron effect and Ogee Niagara. These styles are available in black, white and brown.

Please contact us for more details.

## Oak Windows

Marches specialise in supplying made-to-measure, quality oak windows. Ideal for sensitive areas or barn conversions.

These beautiful, purpose made, laminated European oak windows are hung on brass butts with phosphor bronze washers and glazed, if required, with 24mm double glazed units.

Factory fitted draught seals are standard. These oak windows are available with flush or projecting cills.

All frames are treated before delivery with a base coat of OSMO stain. Delivery time approx. six weeks from confirmed order.

Please call in for a no obligation quote from our team at Marches.
