

AV4-F 2070/45 92/8 M2

5097231

Product details	
Product base class ❶	Multi point locking system ❶
Product function group	Lock - mechanical
Product group	autoLock
Product	autoLock AV4/Automatic
Product variant	autoLock AV4 standard
Specification	
Profile material	Plastic
Opening mode	Single sash + double sash active
Sash rebate height	Different special dimensions
Handle position	906 mm
Lock actuation	AV4/Key-operated
Type of faceplate	Flat faceplate
Faceplate width	20 mm
Faceplate variant	Variant 70
Faceplate end	Rounded
Radius	Radius 10 mm
Backset	45 mm
Distance	92 mm
Cylinder type	Euro profile cylinder (PZ)
Follower	8 mm
Follower version	Standard follower
Auxiliary locking point type	Hook TM AV4 standard
Number of auxiliary locking points	2
DIN Direction	DIN left hand + right-hand
Surface	Matchrome-plated MC
Main deadbolt	With main deadbolt
Latch version	Chamfered latch 9°
Latch material	Zinc-steel
Entryguard function	Without entryguard function
Additional lock	Standard - Without additional lock
Type of fixing	Standard hardware screw
Certification	
SBD/PAS24	Suitable
