

Rustic 80

LVL4: February 2017

FOR TIMBER DOORS WEIGHING UP TO 80KG EACH

Rustic 80 sliding hardware is ideal for barn conversions, period properties or simply for a unique feature in the home. Suitable for doors weighing up to 80kg, the system creates a traditional look for sliding wooden doors with the exposed steel straps fastening down the front of the door to support the rustic finish. The beautifully crafted barn door style hangers run smoothly across the flat bar track.

Key Product Features

- Ideal for barn conversions, period properties or simply a unique feature in the home
- Easy to install
- Black matt powder coat or stainless steel finish
- Stainless steel system is 304 grade, suitable for internal use
