

DOUBLE TOP

For sliding wooden bi-passing wardrobe doors weighing up to 45kg

Double Top is perfectly suited for heavy duty sliding wardrobe or cupboard doors. Designed to support double track sliding wooden doors weighing up to 45kg and 16-40mm thick, the quiet system works on nylon hangers and an aluminium track. Door heights can be adjusted easily, a floor guide can also be added as an option and a fittings kits can be purchased for where an additional 1 or 2 doors are required.
