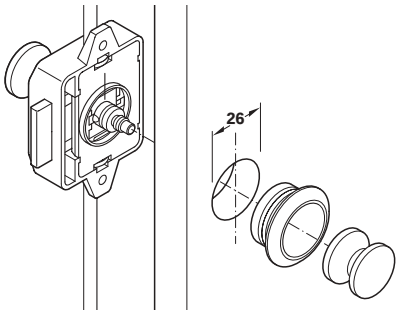
Push-Lock Knobs and Rosettes

HÄFELE

Order Online at www.hafele.co.uk

Dimensions in mm

- **Push-Lock knobs and rosettes** can be purchased to suit particular door thicknesses
- If a rim lock with two spindles is used, for opening the door from both sides, order 2 knobs and 1 rosette
- With a two spindle lock, the push knob on the front of the door closes almost flush to the door but a knob used at the back of the lock, on the second spindle, never closes flush to the lock case or door



Matt gold finish shown

- **A Push-Lock knobs, 19 mm**
- For **13, 16** and **19 mm** door thicknesses
- Plastic
- Order rosette separately
