

### Foldaway fittings

- For holding kitchen appliances
- In fully extended position the shelf lies flush with the worktop
- Lift up to release the locking mechanism when returning to stored position
- Load bearing capacity **8 kg**
- For cabinet widths 350 - 600 mm.  
Installation width is optional between 300 mm and 568 mm as the two arms are completely separate
- The cranked mounting brackets prevent the door hinges fouling the shelf when raised
- When mounted directly beneath the worktop the smallest remaining usable height within the cabinet is 340 mm
- Galvanized steel 150N tension springs
- Lacquered steel

Finish	Cat. No.
White lacquered	504.22.421
