Manufactured in the UK

F Plumbers holesaw kit

- Consists of:
1x Ø 19.0, 22.0, 29.0, 38.0, 44.0, and 57.0 mm holesaws
1x 16-29 mm Hexshank
1x 32-64 mm Hexshank

	Cat. No.
Plumbers holesaw kit	001.67.960

Order qty: 1 pc

Square hole drilling sets allow the fast and easy drilling of square holes in a variety of materials. Especially useful when installing electrical socket and switch boxes in masonry.

Solid casting gives added power transmission to cutting edges which improves speed and tool life. Electrical box can now be in place in under 2 minutes in standard material.

Square hole cutter should not be used on hard materials. To produce the square in hard materials use the box sinker chisel.

Manufactured in the UK

G Standard square hole drilling set

- Consists of:
1x square cutter
1x round cutter (with dust collection)
1x SDS+ box sinker chisel
1x SDS+ pilot drill

	Cat. No.
Standard set	001.67.160

Order qty: 1 set

Manufactured in the UK

H Super square hole drilling

- Consist of:
1x square cutter
1x round cutter (with dust collection)
1x SDS+ box sinker chisel
1x SDS+ pilot drill
1x double square cutter
1x double box cutter template
1x channelling chisel

	Cat. No.
Super set	001.67.161
