

## tesa

With over 120 years' experience, tesa is Europe's no. 1 adhesive tape manufacturer, and enjoys a world-wide reputation as a leading supplier to many industries selling over 800 types of tape in more than 100 countries.

tesa's commitment is to exploit its knowledge of adhesives and coating processes to develop innovative industrial solutions providing process and cost efficiencies.

Today tesa operates in three highly focused areas of tape technology:

**Fastening** - double sided tapes for fixing and bonding

**Masking** - protective tapes, cloth tapes and films

**Packaging** - carton sealing, strapping and tear tapes

These are in addition to the company's duct and speciality tape products
