

A Mega foam

- High performance, self expanding polyurethane foam
- A fast setting, multi-purpose foam which bonds, fills, seals and insulates most construction materials
- Contains an environmentally safe propellant, compliant with the latest EU regulations
- High yield with less waste
- Can be used at 360°
- Twice the life of a standard can
- Cold weather use
- Dual use, gun and hand held in one can
- Beige colour

Size	Cat. No.
500 ml	003.52.114
750 ml	003.52.115

Order qty: 1 pc

B Compact PU foam gun

- For use with PU Mega foam, item A
- Steel with black plastic handle

	Cat. No.
Gun	003.52.911

Order qty: 1 pc

C One Hit Wonder lightweight filler

- Gives a super smooth finish that does not require sanding
- For internal and external use
- Suitable for use on plaster, concrete, brick, wood and stone
- Non-slumping and shrink resistant
- Water based paints can be added to the filler mixture to enable colour matching
- **Please note: This product is not suitable for use in areas subject to continuous water immersion**
- Brilliant white colour

Size	Cat. No.
1 litre	003.59.090
4 litres	003.59.091

Order qty: 1 pc

D Mini foam

- A moisture curing self expanding polyurethane foam adhering to all common building materials
- For filling and sealing of cavities and joints.
- Resistant to water, heat and ageing
- Not UV resistant
- High thermal and acoustic insulation values
- Excellent adhesion
- Can be painted, cut and sanded after full cure
- 150 ml tube

Colour	Cat. No.
Champagne	003.52.116

Order qty: 1 pc

E 2k assembly foam

- Two component, self-expanding polyurethane hard foam
- Quick hardening
- No shrinkage or post expansion, as foam hardens from the inside out
- Excellent adhesion on many materials (not PE/PP, teflon and silicone rubber)
- Good acoustic and thermal insulation characteristics
- Very good filling capacity
- Excellent assembly characteristics
- 400 ml can

Colour	Cat. No.
Champagne	003.52.103

Order qty: 1 pc

Hand held version

F Assembly foam B3

- One component, self-expanding polyurethane hard foam
- Excellent adhesion on many materials (not PE/PP, teflon and silicone rubber)
- Good acoustic and thermal insulation characteristics, up to 57db
- Very good filling capacity
- Excellent assembly characteristics
- Champagne colour
- 750 ml can

Item	Cat. No.
Gun version	003.52.102
Hand held version	003.52.105
Gun	003.52.920

Order qty: 1 pc
