

Bed Fittings

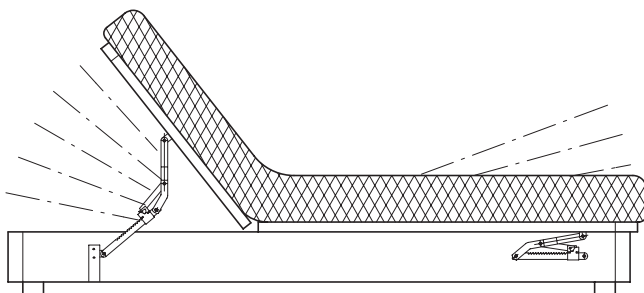

Scissor Jacks and Ratchet Fittings for Beds

- **Bed fittings**, heavy duty scissor action
- Ratchet adjustment allows innumerable angle combinations to be achieved through installation at the head and foot sections of the support frame
- All scissor jacks can be used for the head or foot section. Lowering is achieved by lifting over the upper end position

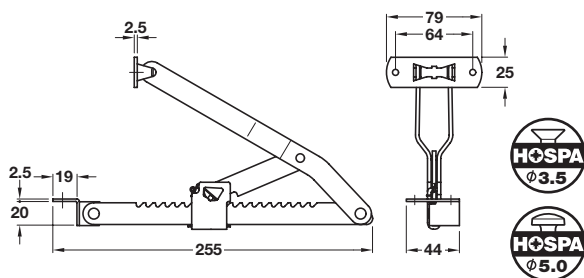

Application for scissor jacks ...

... for adjustable head and foot sections of mattress bases ...

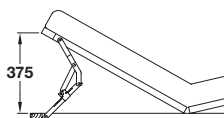

... and other uses including hospital beds, massage couches, drawing boards etc.
