

Tipmatic Plus Click-on - Quick and easy fitting

1. Remove the hinge arm cover plate (where applicable)
2. Insert tipmatic Plus Click-on with the two small hooks underneath into the recesses in the hinge cup at a slight angle
3. Push down both sides of the adapter simultaneously until it engages with an audible 'click'.
4. With the flatter side facing downwards, push the Tipmatic ejector fully into the adapter opening
5. Adjust front gap, put on hinge arm cover cap (where applicable)

Tipmatic Plus 170° - Quick and easy fitting

1. With the flatter side facing downwards, push the Tipmatic Plus ejector into the adaptor opening

2. Insert the adaptor with the two small hooks underneath into the recesses in the hinge arm, at a slight angle

3. Push down the Tipmatic Plus 170° adaptor until it engages with an audible 'click'
